Daerdo is the brand and the exporter of record. Production runs at an FDA-registered partner facility — the same line, the same bill of materials and the same test on every reorder.

Guangzhou Daerdo Technology Co., Ltd. · founded 2014 · exporter of record · you remain the importer of record in your market.

100%

OUTGOING CHECK

Every finished device, not a sample.

6

DEDICATED LINES

32 machines across them.

≈50K

UNITS A MONTH

Across the six lines, at current capacity.

26

COUNTRIES SHIPPED

Transit on file for 45. Audit on request.

DOCUMENTS ON FILE

FDA establishment registration

A registration and device listing on file with the US FDA. Registration and device listing do not constitute FDA approval or clearance.

CE verification of conformity

Issued on a voluntary basis, not an EU type-examination by a notified body.

ISO 13485 quality management

A quality-management certification covering the production of hearing aids, not a product approval.

WHEN IT STARTS

Gate 01 files complete → branded sample	7–15 wd
Gate 02 sample approved → production	20–30 d
Stock orders — skip both gates	ships direct

WHAT HAPPENS TO YOUR MONEY

Deposit on order	30%
Balance before shipment	70%
Warranty against manufacturing defects	12 months
Return window, unused stock units	7 days

HOW LONG IT TRAVELS

Three ways to build a hearing range with us — from stocking proven models to shipping under your own brand.

PRIVATE LABEL

Your brand on proven hardware: logo, packaging, manuals and app presentation adapted to your market.

You provide	Logo, market, packaging requirements
We return	Artwork → branded sample → approval → production
Sample	7–15 working days
Production	20–30 days after approval

CUSTOM CONFIGURATION

Tune gain profiles, accessory bundles, charging cases and colorways per SKU.

Configurable	Gain profile, accessories, case, colorway
Confirmed	Per order, before production
Acoustic sheet	Sent during technical review
Warranty	12 months against manufacturing defects

DISTRIBUTION

Stock the Daerdo range for your territory with wholesale tier pricing, marketing assets and English-first documentation.

Stock orders	Skip both gates, ship direct
Payment	30% deposit / 70% before shipment
Transit	4–16 working days, 45 destinations on file
Importer of record	Remains you, in your market

GET A MODEL SHORTLIST

carol@daerdo.com

daerdo.com — send your target market, form factor and volume; we reply with a model shortlist and a quotation within 12 working hours, GMT+8.

Daerdo is an independent OTC hearing aid brand and export company. Products are manufactured at an FDA-registered partner facility. FDA facility registration and device listing status available on request. Wholesale reference pricing — confirmed per order, configuration and Incoterms. Specifications are drawn from factory documentation and may be refined at technical review; warranty 1 year on all listed models.
